This meeting will be an electronic meeting pursuant to the Chair’s determination:

I, Ana Valdemoros, the chair of the Board of the Redevelopment Agency, hereby determined that conducting the Board of the Redevelopment Agency meeting at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The World Health Organization, the President of the United States, the Governor of Utah, the Salt Lake County Health Department, Salt Lake County Mayor, and the Mayor of Salt Lake City have all recognized a global pandemic exists related to the new strain of the coronavirus, SARS-CoV-2. Due to the state of emergency caused by the global pandemic, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the location.

For these reasons, the Redevelopment Agency Meeting will **not** have a physical location at the City and County Building and all attendees will connect remotely.
